

Mr. Warren Brewer

920-682-8801 ext. 276

wbrewer@roncallijets.net

Chemistry Room (206)

Biography

- I was raised in Platteville, Wisconsin which is located in the southwestern corner of Wisconsin. I graduated with a bachelor's degree in chemistry at UW Platteville and worked as an analytical chemist. Later, I went back to UW Platteville to get my teacher's certification and picked up a minor in Physics.
- I have been teaching in the science department at Roncalli High School since 2008
- I am also married and have a daughter.

Education

BS Chemistry with a minor in Physics
Secondary Education Certification

Courses/Schedule/Responsibilities

- Junior Advisor
- Data Committee Member
- Academy Committee Member
- Sophomore Academy Leader

Professional Organizations:

- American Chemical Society
- American Association of Physics Teachers
- American Association of Chemistry Teachers

A Day	B Day
Prep	Intro Engineering
Chemistry	Prep
AP Chemistry	AP Chemistry
Intro Engineering	AdvancED
