Biography

I was born and raised in Manitowoc where I attended DeSales, Cabrini (currently St. Francis of Assisi Elementary and Middle schools). I graduated from Roncalli in 2002 after participating in sports, choirs and a few of Mr. Olson's plays. After high school, I attended UW-Manitowoc and Winona State University where I received a business degree, followed by a master's degree in education from Alverno College. I taught for two years in Milwaukee before coming back to Roncalli to teach Technology and Algebra while coaching the freshman basketball team.
