Biography

I have been working with the Roncalli Bands since 2008. I lived in the Eau Claire area for most of my life, and I moved to the Manitowoc/Two Rivers area when I was hired at Roncalli. Music has been a passion of mine for as long as I can remember, and I am blessed with the opportunity to continue being a very active musician inside and outside of Roncalli. Currently I perform with the Lakeshore Wind Ensemble, Generations Jazz Band, Manitowoc Marine Band, and a couple of church ensembles. In my free time, I enjoy spending time with my amazing wife.
