

RONCALLI HIGH SCHOOL

INSIGHTS

Volume XLI, Number 7

February 2018

Dear Friends,

This is an exciting and at the same time challenging time to be a Catholic educator. Over the past year, a tremendous amount of work has been done by those committed to the mission of our schools to ensure that an education grounded in faith will be available and viable for years to come. Changes are on the way in every corner of the diocese. I have absolute faith that works being done now will bear future fruit. Thus, in a very real sense, the next few years will be transitional years for our Roncalli community. A month ago I didn't think I would be part of those plans. But as is often the case, my plan isn't necessarily God's plan.

Over Christmas break, John Stelzer and I did what we often do when school is not in session, we went for breakfast. Of course, our conversation would eventually turn to issues involving school. I will say I have never in my career known a man so committed to his vocation as John. We talked about what comes next. For me, that meant retirement. But as we talked, I think we both came to the conclusion that the immediate future would be more easily navigated if we could maintain some stability in our leadership positions. He asked if I would return as principal for an additional year. I said yes.

I'm actually quite glad he did. To say I had a retirement "plan" is stretching the meaning of the word quite a bit. The only potential occupation of my time going forward was golf. Living in Wisconsin limits just how much of a calendar year that could possibly fill. So if all goes according to Hoyle, I will be back as principal for the 2018-19 school year. I feel truly blessed to have been asked.

The truth is that it would be hard for me to imagine my life right now without being involved in this marvelous community. It has given me tremendous opportunities. To come to work each day in consort with so many

dedicated, competent people of faith and engage in work so meaningful is a joy. I guess I wasn't ready to leave that behind.

So I will push the long languid days on the golf course a little further down the road. I will gladly return and share what talents I have - encouraging our students to grow in faith and love

Celebrate Catholic Schools Week 2018

January 28 - February 3 #CSW18

Parents,

I sometimes am asked about our safety and security procedures and what would a parent needs to know. I assure you we have policies in place to safeguard our students. These were developed in conjunction with our local law enforcement agencies and are reviewed and revised annually. We also run drills so that our students are prepared for emergency situations. It is important for parents to know that in the unlikely event that we would need to evacuate our campus in an emergency our students and staff would gather at the Central Bark facility directly south of the school, we would then be transported to St. Francis of Assisi Church on Waldo Boulevard where parents could pick their students up. If you ever have questions or concerns, please feel free to contact me at tolson@roncallijets.net or at 920- 682-8801.

The mission of Roncalli High School is to educate in the Catholic traditions of spiritual growth, life-long service, and academic excellence.

Roncalli High School Mission Statement, adopted May 2012.

TUITION AND TUITION ASSISTANCE FOR 2018/19

EVERY FAMILY MUST HAVE A TUITION PAYMENT ACCOUNT WITH FACTS.

Roncalli is partnered with FACTS Tuition Management to make the process of applying for financial aid and paying tuition easier, faster and more equitable for the school and our families. Parents are able to complete a Tuition Assistance Application, enroll in a Tuition Payment Plan, and pay incidental expenses like Hot Lunch and Athletic Participation Fees on one site.

February 1, FACTS will begin accepting Tuition Assistance Applications and Tuition Payment Agreements online for the 2018/19 school year. We will still personally review all financial aid packages and scholarship awards. As always, you may direct any questions or concerns to our Business Manager, Mrs. Strawn.

2018/19 Tuition – The Board of Trustees approved tuition at \$6,100 for the 2018/19 school year for Catholic students. The full cost of a Roncalli education is just over \$10,000 a year. Please keep in mind that your tuition is discounted from the actual cost of educating your students because of the significant financial investment by many benefactors and local parishes. Please make an effort to be a committed, year-long member of your parish and a strong supporter of Roncalli by generously sharing your time, talent, and treasure.

Tuition Assistance Process – We are committed to helping families with their financial commitment whenever the need arises. Tuition assistance is granted through an application process on FACTS. *In order to be eligible for needs-based tuition assistance, you must apply through FACTS.* Roncalli will credit your tuition plan for the application fee when financial aid is applied. The priority deadline for Tuition Assistance is Friday, March 16, 2018

Automatic Re-enrollment Process – 2018/19 – Your FACTS Tuition account will reflect a \$100 re-enrollment fee per child due in March on your established billing cycle. Paying that fee on time indicates to us that your student will return to Roncalli High School for the 2018/19 school year. If your student is not returning next year, or if you cannot afford the registration fee, or if WPCP pays your registration fee, notify Barbara Strawn by February 7, and the fee will not be charged.

FREE TUITION!

SCHOOL CHOICE pays 100% of TUITION for NEW RONCALLI STUDENTS who QUALIFY! The income levels have been expanded so that more families are now eligible.

Income guidelines and the application link are at: dpi.wi.gov/sms/choice-programs

Roncalli High School offers computer access and individual, confidential assistance. Help is also available in Spanish.

Our Freshman Registration is scheduled for Wednesday, February 7, from 3:30-7:00 p.m. There will be Roncalli teachers, staff, and administration available to assist parents and students with registration. The sessions usually take about 15 minutes per student. Please bring the most recent report card and a \$100 enrollment fee for each student being registered. If a parent cannot attend, please contact Cyndi Kraemer at 686-8145 to arrange an appointment. Please mark your calendars for February 7th!

If you know of a family with a student in middle school or high school who may be interested in learning more about Roncalli, we encourage you to provide names and contact information for them to Cyndi Kraemer at 686-8145 or email at ckraemer@roncallijets.net. Word of mouth advertising is the most effective way to spread the good news about Roncalli. As current Roncalli parents and students, you have the opportunity to share information about our school, and give examples of what Roncalli means to you and your family. Please feel free to share your experiences with people you come in contact with. They value your knowledge and expertise.

We also invite anyone interested in attending Roncalli to schedule a personal tour of our school for their family or a shadow day for their child. These are two very useful tools in becoming familiar with Roncalli. The Shadow Program is for any student who wishes to “try Roncalli on for size.” After telling us a bit about yourself, such as classes you would like to see or activities you are interested in, we will pair you with one or two Roncalli students for the day. By going to their classes, eating lunch with them, and trying to open their locker, you will learn first-hand what life at Roncalli is really like.

We hope you will contact us to schedule a tour or a shadow day. Also, please inform us if you know of a family who may be interested in learning about our school.

Pierside Auction

It's that time of year again when preparations for the annual Pierside Auction are in full swing. Mark your calendars: **Saturday, April 28th** for an evening of fun, meeting new people, and seeing old friends. The auction is our largest fundraiser, and the profits go right back into the operating of our school.

Buy or Sell a raffle ticket!!

Selling out the cash raffle tickets is the goal. It would be great if every Roncalli family would purchase or sell **two** tickets! Remember, for every two tickets purchased or sold by a Roncalli parent, they are eligible to be in a drawing for \$500 tuition certificate. Who doesn't like **CASH!!** The grand prize is \$10,000! The other prizes are (1) \$2,000, (2) \$1,000, and (2) \$500's. The ticket is \$100. Go in alone or together with family or friends. (See the raffle sheet in this month's Insights)

The two other raffles will be announced shortly, with details provided in next month's *Insights*.

Solicit or make a personal donation-

Dining certificates, service certificates, children's item, items for the home, garden & patio, handcrafted art, sports, collegiate t-shirt or sweatshirt, a religious item, something blue for Everything Roncalli, a recipe with ingredients for “Seasonal Palates” or a major item for the oral auction. Cash donations of any amount are also very helpful in supporting whichever booth you designate.

The items that you donate need to be new and unused.

Guidance Department

Financial Aid for College - If your senior hasn't filled out the Free Application for Federal Student Aid (FAFSA) yet, please have him/her do it ASAP. Some of the colleges have earlier deadlines than in past years.

Scholarships – There are new scholarships coming in on a regular basis. Seniors should check our website for updates. Seniors will be notified when the in-house scholarships, available only to Roncalli students, are posted. Every college has scholarships listed on their websites. There are other scholarship sites that have you create a profile, and then you are matched with different scholarships including www.fastweb.com and www.scholarships.com

Senioritis - Do your seniors know that slacking off during the spring semester or after being accepted to college may jeopardize their future plans? According to the College Board, every year colleges rescind offers of admission, put students on academic probation, or alter financial aid packages as a result of "senioritis." Often, college acceptance letters include warnings to students such as “your admission is contingent on your continued successful performance.” Admissions officers can ask a student to explain a drop in grades and can revoke an offer of admission if not satisfied with the response. Since colleges do not receive final grades until June, students may not hear about this until July when there are few options left. The best advice is to stay focused, and keep up your grades.

Placement Testing - The UW system requires incoming students to take a placement test in math and English with an optional foreign language test. You can take the placement test at any UW school, not just the one you plan to attend. Registration begins February 1 and the website is www.testing.wisc.edu/centerpages/regionaltesting.html.

ACT - It is highly recommended that juniors take the ACT in the spring or summer of their junior year. If they are not taking it at Roncalli on February 27, they should register for one of the following test dates: April 14, June 9, or July 14. When registering, you will be asked to sign up for the ACT assessment or the ACT assessment plus writing. Marquette is the only school in Wisconsin that requires the writing portion. If you have any questions about whether or not to take the optional writing portion, please see Ms. Nickels, or check the ACT website at www.actstudent.org. You can also register on this website. It is recommended that students select colleges to have their scores sent to when they register for the ACT to avoid paying an extra fee later.

Registration for Next Year's Classes - We will begin this process in February and go over the requirements with each class along with electives they can choose. Students will be asked to create or update their Academic Career Plan with the classes they plan to take while at Roncalli. Parents will be notified when registration is taking place.

WIAA transfer Rule – www.wiaawi.org

Any student transferring schools after his/her sophomore year – if the transfer does not involve a geographical move necessitating the transfer – will be ineligible for athletics for a calendar year. If a freshman or sophomore transfers from a school after its first day of school and/or practice, that student is athletically ineligible for varsity competition for the remainder of the school year unless the transfer is necessitated by a total change of residence. Please check out the WIAA website if you have questions or contact Joan Nickels (jnickels@roncallijets.net) or Dave Mueller (dmueller@roncallijets.net)

Athletic Department Web Page

For all spring schedules go to the Roncalli Calendars (<http://www.roncallijets.net>) and select Athletics. We will be using scheduling software for athletics. All changes to the games because of weather or other circumstances can be directed to your email if you are signed up with that website. Once you are on the rschool website with our schedules - go to the right side of the page and you can select two different options. 1 - get the mobile app for rschool 2 - select the “notify me” tab and sign up for alerts.

Important Calendar Update

We will be switching our school calendars over to Google Calendar. We are making the change as a convenience for the school and the community.

Benefits for students and parents:

1. It cost you nothing – no licensing fee – if you already have a Google account you can sync right to the calendar.
2. It works on every device.
3. It allows you to set reminders – show calendar in daily, weekly, monthly or list view.
4. It is shareable with other calendars from work or family calendars.

The calendars are accessible the same way we have accessed them before the change

1. Go to www.roncallijets.net
2. Select calendars
3. Select calendars you want to see.
 - a. The combined calendar lets you see the School, Fine Arts Center, Transportation, and Gym Use calendar all on one page.
 - b. OR you can select the calendar you would like to view from the calendars page.
4. The athletics and co-op sports calendar will remain separate and are not a Google Calendar unless you sync those to your page

To start the sync from Google Calendars:

1. Go to the calendars page of the Roncalli website
2. For the complete listing:
3. On the bottom right there is --- press that and follow directions to sync to your smartphone or your Google account

This change will take place from the Roncalli webpage starting **on January 29**. If you have the old calendars bookmarked please change those over as they will no longer be up to date.

National Catholic Schools Week

January 28 – February 3, 2018

January, 2018

Dear Fellow Disciples in Catholic Education,

With delight and prayerful gratitude, I look forward to celebrating our Catholic Schools in the Diocese of Green Bay during National Catholic Schools Week, January 28 through February 3, 2018. This annual commemoration provides an opportunity to acknowledge the formation of 9,127 missionary disciples attending Catholic Schools in the Diocese of Green Bay. It is a time for us to celebrate our students, teachers and staff, parents, and all the generous supporters of this vital ministry of the Church.

This year's national theme and logo, *Catholic Schools: Learn. Serve. Lead. Succeed*, embodies the values that are instilled and formed in our Catholic schools. Appropriately, the cross is centered at the forefront, resting among the multi-colored pages of the book, symbolizing the many educational contexts of our students' lives as they become disciples of Jesus. It is in our Catholic schools that they discover Jesus Christ, learn about their Catholic faith and practice a virtuous life. Catholic Education inspires our children today to become servant leaders, enriching their communities as moral citizens in a world so desperately in need of hope.

It is our teachers and volunteers who form the pillars of strength and enrichment for our Catholic schools, together with the generosity and support of parents, benefactors, parishioners, and alumni. This dedicated support system creates vibrant, faith-filled, Catholic schools fostering discipleship and academic excellence, by providing the vital resources, spiritual guidance and prayerful support needed to empower our students. It is through this cumulative effort that our students come to realize their God-given talents and inevitably share those charisms with others through His work.

I invite all of you to join with me in prayer for our Catholic schools, its families, and communities in the Diocese of Green Bay. Together, let us joyfully celebrate Catholic Schools Week 2018!

May God bless and reward you for your dedicated support and hard work. May He continue to guide and energize you, as together, we inspire our children to become missionary disciples for Jesus Christ.

Please know of my prayerful support for you, as I remain

Sincerely yours in Christ,

Most Reverend David L. Ricken, DD, JCL
Bishop of Green Bay
