LTC Foundation Scholarships: General Application Instructions

Students should apply for LTC Foundation Scholarships via our online scholarship portal.

Step 1: Visit gotoltc.edu/scholarships

Step 2: Click the big green “apply now” button

Step 3: At the top right of the sign in page, you’ll see

a “sign up” and a “sign in” button. **Click the “sign up” button first.**

Step 4: Enter your LTC student email* in the “email” prompt. Then select a password to enter.

NOTE A student will receive an LTC email after they have begun the application process.

The LTC student email is necessary in order to apply for scholarships.

Step 5: Log in to your LTC student email and open the email you have been sent from the scholarship portal.

Follow the instructions in the email to click the link and activate your account.

Step 6: You will now be signed in to the general application for scholarships, and you may begin applying.

Be sure to save your work often (button at the bottom of the page). You may save your work and log back if you do not complete it at one time.

At least one reference is required. Two are recommended. You will be asked to provide the name and email address of someone to use as a reference. Advisors, coaches, teachers, or supervisors are recommended. It is best practice to ask the individual in advance if they are comfortable providing a reference prior to submitting your application.
