

Manitowoc County Sports Officials Association 2017 Scholarship Program

The Manitowoc County Sports Officials Association (MCSOA) is pleased to announce our 14th Annual Scholarship Program. This scholarship has been established to assist graduates in continuing their education at the post secondary level. The funding for these scholarships has come from the generosity of the members of the MCSOA who have had, over the years, the opportunity to officiate interscholastic athletic contests at area high schools. As members of the association, we share the common belief that by providing scholarships, we can help our young people reach their maximum potential.

All scholarships will be awarded at our annual meeting in May. Scholarship winners will be invited to attend and accept the award.

Nominations must include the signature and backing of your Athletic Director, a recommendation from a coach, a current picture, and a completed Application Form. The MCSOA will award **four individual scholarships** to the most deserving applicants. This year's scholarships will be **at \$500 each**.
